

Contestants for 2018 PHCC Talent Show Final Round

Over the past 25 years I have been producing shows just like this. I want to say, each contestant that graced our stage Saturday night had talent, energy and real poise. I cannot imagine how hard it would be to eliminate any act. The judges do not have an easy job.

For those of you not moving forward, please don't lose heart. Continue to nourish your talent. It will GROW! It was an honor to work with each and every one of you. I hope I see you enter again next year. Everyone enjoyed you so much!

Due to a tie, there will be 11 acts moving forward into the final competition.

To all contestants moving forward, please watch your email. Instructions and details will be coming.

Thank you to all, and good luck to contestants moving forward.

Shine on,
Donna Lee
